

Apostle **Alan Vincent** is an anointed apostle who teaches with God-given revelation, imparting faith to people all over the world. As one who models the Father-heart of God, he is a true father

to the body of Christ, helping pastors and churches step into the full measure of God's calling for them.

Before he and his wife Eileen were converted in 1958, Alan was a successful scientist who called himself an atheist. After meeting Jesus, however, both Alan and Eileen's lives radically changed. Within weeks, they heard the call to serve God in India, and five years later – with one small child and Eileen pregnant with the next – they left for the mission field. They spent the next 13 years pioneering the work of God in and around Bombay, where they saw thousands saved. They then relocated their family to Hertfordshire, England and established churches there until God called them to move to San Antonio, Texas in 1991.

The Apostle Paul wrote to the Corinthian church, *"Even though you have ten thousand instructors in Christ, you do not have many fathers..."* Alan Vincent is one of those rare fathers. He provides apostolic fathering to many leaders, younger apostolic men, churches and organisations worldwide. As he teaches the scriptures with prophetic revelation, many are brought to a deeper maturity in Kingdom living and service. Everything he teaches is shot through with faith. He leaves his hearers challenged to think, be and act bigger, appropriating all God has for them.

Through his powerfully anointed teaching and relationship-based ministry, cities and regions around the world have been influenced. Alan has historic relationships in such places as India, Poland, Kenya, Nairobi, Austria, England, Botswana, Zambia, and many US cities. As was said of the Apostle Paul, the same may be said of Alan Vincent, *"...my way of life in Christ Jesus... agrees with what I teach everywhere in every church."*

We are pleased to announce as part of our **Standing on the Word 2010** series a two day conference with speaker **ALAN VINCENT**. This course is open to all who desire to have a time to study and go deeper into the theology of the Christian church.

We believe that in our day there is a real need for the followers of our Lord Jesus to be well taught and we have therefore put together a study course which will be more in depth than most of us are able to receive in our Sunday teaching sessions.

We aim to provide our students with quality biblical instruction, teaching each person to **think like God, live like Jesus and minister in the Holy Spirit**, therefore

enabling them to more effectively fulfil their calling both in the church and the world.

The mission of **Standing on the Word** is to provide an effective short-term training programme to equip Christian men and women not only to be biblically grounded and spiritually effective but also culturally relevant for living and serving in the church and in the world.

CDs of the conference will also be available to purchase.

Attached is a booking form, which we hope you will return to us ASAP.

# A Victorious WARRIOR in a Time of Trouble

## Lessons for today from the Books of 1st and 2nd Peter.

### CONFERENCE DETAILS

The **Apostle Peter** is a great example and a great model for us on how to **respond correctly to the increasingly difficult days** in which many Christians are living in many parts of the World.

He writes this second epistle primarily to the many believing Jewish communities scattered around the Roman Empire during the severe persecution of the Church under Emperor Nero. It is written a short while before his own execution as a martyr in about AD 68.

- It is a powerful declaration of his own indomitable faith and of his unshakable confidence that the Church will emerge victoriously having defeated all its enemies.
- It is packed with practical nuggets of wisdom on how individually **we can live as victorious, invincible warriors** in such times just as he did.
- Peter confidently asserts, that in the strength of our individual and corporate faith, we can prayerfully enforce all that the prophets have said in spite of the apparently adverse present circumstances, causing the whole world to bow at the feet of Jesus in repentance.
- We will then joyfully welcome His total takeover of the world as King and the establishing of His glorious Kingdom throughout the whole Earth, for ever and ever, Amen!

**VENUE: St. Mark's**, Southcourt,  
Aylesbury, Bucks HP21 8RH

### FRIDAY 1<sup>ST</sup> OCTOBER 2010

**19.00 Welcome**  
with tea/coffee and biscuits  
**19.30 1st Session**
